

Sponsor Opportunities

Companies will have a variety of sponsorship opportunities at the conference. Sponsors will receive continuous on-site visibility and recognition of their company name and logo, which is displayed on the conference signage and on all conference marketing materials, including the conference brochure, PDCA E-Letters, conference specific emails, *PileDriver* magazine ads and articles, and on the PDCA website. Sponsorship opportunities and information is provided below.

Meet and Greet Reception

Sponsor the opening evening of the conference with the ice breaking "Meet and Greet" Reception, an excellent opportunity for networking. Reception will include a hosted bar and hors d'oeuvres from 5:00-6:00pm and will take place in the exhibit hall.

Sponsor the new mobile app that conference attendees will be downloading to their phone. Sponsorship includes company logo on splash page of app when downloaded and your custom designed company rotating banner on the home page of the app.

Student Sponsorships

As student sponsorships are received, the PDCA will work with local college and university engineering programs to facilitate student attendance at no additional cost to them.

Refreshment Breaks

Don't miss out on this opportunity to sponsor 3 conference refreshment breaks. Attendees will have the chance to refill and refuel during the morning and afternoon breaks where coffee and select snack items will be available.

Conference Luncheon

Sponsor the most popular meal of the day! The conference lunch buffet on Wednesday in the exhibit hall.

Continental Breakfasts

Be the first name attendees see Wednesday and Thursday morning and sponsor the continental breakfasts.
